

26-31 October 2014 **WORKSHOP ON ACCELERATOR OPERATIONS** Mainz, Germany

5th Circular - October 21, 2014

Only a few days till the WAO 2014 starts.

This year's WAO was received with significant interest amongst the community with 113 participants! We are happy to welcome many "old" friends but also many WAO "beginners" on Sunday.

In this last circular we would like to summarize all important dates and data for the workshop.

The venue

The registration starts at 6 pm in the foyer of the "Ketteler Saal". Every registrant will receive a workshop kit with information about the workshop, the venue locations and a participation confirmation. After registering you are invited to join everyone for a welcome snack at "Gewölbekeller". Please ask the Erbacher Hof reception for directions, your workshop kit will include a site map of Erbacher Hof.

Lunches, dinners and seminar snacks will be provided during the workshop. **Please make sure to have enough cash for off-seminar drinks, which have to be paid immediately.**

If you are accommodated at the Erbacher Hof please pay attention to the fact that credit cards are not accepted and breakfast costs are additional!

Workshop transportation

2 buses are provided for the Heidelberg tour and the GSI tour. After the GSI tour the buses will go Wixhausen local train station and to Frankfurt International Airport before returning back to Erbacher Hof in Mayence. Either train station provides a direct connection to the Frankfurt main train station. Baggage can be left in the buses during the GSI tour! Please let us know at registration whether you need an airport/train station transport after the GSI tour. We will organize the busses accordingly.

Special info GSI tour: At registration all participants will be asked for their passport/ID number. These are needed for the check in at GSI gate.

Workshop assistance

Should you need any assistance on the way to, from or at the workshop please contact the workshop team at

0049 (0) 6159 71 1879
