Physics Session: Hadrons and Nuclei, QCD dynamics and Hypernuclei

Sitzung | **Ort:** GSI, KBW AUD Sideroom

17:30–18:00 Uhr

A one day day-one experiment for PANDA and much more: from anti-hyperons and resonances in nuclei to the neutron skin of nuclei.

Sprecher

Prof. Josef Pochodzalla

18:00–18:20 Uhr

Early PANDA Experiments Studying Antiproton-Nucleus Collisions

Sprecher

Dr. Albrecht Gillitzer

18:20–18:40 Uhr

Hyperon-Antihyperon studies in the PANDA start up phase

Sprecher

Prof. Tord Johansson
