

# Super-FRS Collaboration Meeting November 2014

## Friday 14 November 2014

### Roadmap update (09:00-11:10)

time	[id] title	presenter
09:00	[20] Pilot experiments on n-rich nuclei: radii and momentum measurements	KANUNGO, Rituparna
09:30	[21] Strangeness in exotic nuclei: pilot experiment plans at FRS	SAITO, Take
10:00	[22] Baryon resonances in exotic nuclei: pilot experiments at FRS	BENLLIURE, Jose
10:30	[23] Universal processes for formation of hypernuclei in heavy-ion collisions: from light clusters to evaporation and fission of heavy ones	BOTVINA, Alexander
10:50	[32] New isotope search and their basic properties and exploratory experiments	PIETRI, Stephane
