# EMC management etc.

- **proposal:** EMC system manager: Fritz-Herbert Heinsius  
Hans-Georg Zaunick (deputy)
- **coordination and integration of barrel design and realization**

# Status on PWO crystals

**SICCAS:** next delivery beginning of April

**CRYTUR:**

- significant improvement due to very close collaboration including Minsk and Prague
- further investment at both sides (CRYTUR / BMBF)
- nearly perfect crystal grown
