

EMMI Workshop: Cold dense nuclear matter: </br>from short-range nuclear correlations to neutron stars

Tuesday 13 October 2015

Short Range Structure of Nuclei - Lecture Hall (KBW) (14:00-18:00)

time	[id] title	presenter
14:00	[4] Stylized Features of Nuclear Momentum Distributions and the Quest for SRCs through the Mass Table	RYCKEBUSCH, Jan
15:00	[5] Fundamentals of SRC in Spectral Functions	MOSEL, Ulrich
15:30	Coffee Break	
16:00	[6] Short Range Central and Tensor Correlations in Nuclei	FELDMEIER, Hans
16:30	[7] SRCs in $x > 1$ Inclusive Processes	FOMIN, Nadia
17:00	[8] New Results in Short Range Correlation Studies	SARGSIAN, Misak
17:30	[9] Discussions
