

EMMI Workshop: Cold dense nuclear matter: </br>from short-range nuclear correlations to neutron stars

Tuesday 13 October 2015

Nuclei at High Energies - Lecture Hall (KBW) (09:00-12:45)

time	[id] title	presenter
09:00	[0] High Energy Hard Processes for Studying SRCs in Nuclear Physics	FRANKFURT, Leonid
10:00	[1] Introduction: Using Electron Nucleus Scattering to Resolve SRCs	WEINSTEIN, Larry
11:00	Coffee Break	
11:30	[2] In Medium Short-Range NN Dynamics: Ab initio many-body calculations versus experimental data: where do we stand?	CIOFI DEGLI ATTI, Claudio
12:15	[3] Recent Experimental Progress in SRC Studies"	PIASETZKY, Eli
