

# EMMI Workshop: Cold dense nuclear matter: <br>from short-range nuclear correlations to neutron stars

## Wednesday 14 October 2015

### Non-Nucleonic Degrees in Nuclei - Lecture Hall (KBW) (09:00-12:30)

time	[id] title	presenter
09:00	[10] Non-nucleonic degrees of freedom - evidence and constraints	STRICKMAN, Mark
10:00	[11] SRC and EMC effects	HEN, Or
10:30	Coffee Break	
11:00	[13] Experimental Studies of EMC Effects	ARRINGTON, John
11:30	[14] Correlations, contact interactions, and the nuclear symmetry energy	HEN, Or
12:00	[15] Probing the Deuteron Structure at Short Distances	BOEGLIN, Werner
