

EMMI Workshop: Cold dense nuclear matter: </br>from short-range nuclear correlations to neutron stars

Thursday 15 October 2015

Hadronic Interaction and Nuclear Matter - Lecture Hall (KBW) (09:00-12:30)

time	[id] title	presenter
09:00	[23] Chiral Dynamics and Nuclear Matter	WEISE, Wolfram
10:00	[24] Nuclear Forces and their Impact on Neutron-rich Matter	SCHWENK, Achim
10:30	Coffee Break	
11:00	[25] HADES: Latest Physics Highlights	STROTH, Joachim
11:30	[26] Experiments with Radioactive Beams	PASCHALIS, Stefanos
12:00	[27] Pentaquarks, Doubly Heavy Exotic Mesons and Baryons and How to Look for Them	KARLINER, Marek
