

EMMI Workshop: Cold dense nuclear matter:
from short-range nuclear correlations to neutron stars

Wednesday 14 October 2015

SRCs and Hadronic Processes - Lecture Hall (KBW) (16:00-18:00)

time	[id] title	presenter
16:00	[19] Short Range Correlation Signatures in Nucleon Momentum Distributions	ALVIOLI, Massimiliano
16:30	[20] Hard semiexclusive A(p,pp) process at the beam momenta of several GeV/c	LARIONOV, Alexey
17:00	[21] Antiproton - nucleus scattering at PANDA	GILLITZER, Albrecht
17:30	[22] Discussions on SRCs, EMC and Hadronization effects in electro and hadro production reactions
