

EMMI Rapid Reaction Task Force: Resonances in QCD

Tuesday 13 October 2015

DAY 2: Baryons -- public morning session - Seminar room Theory (SB3 3.170a) (09:15-12:15)

-Conveners: Matthias F. M. Lutz

time	[id] title	presenter
09:15	[4] Experimental challenges for the study of light baryons	NAKANO, Takashi
10:00	[5] What we know and what we don't know in light baryon spectroscopy	OKA, Makoto
10:45	Coffee break	
11:15	[6] Baryon resonances with strangeness	CREDE, Volker
11:45	[7] Baryon spectroscopy with Panda	RITMAN, James
