

Open preparatory meetings for the Collaboration Meeting on Wednesday, 1.02.2017

Organizers: Olga Rosmej/Dieter HH Hoffmann

Dear colleagues, dear current and future members of the collaboration!

In order to have an efficient Collaboration Meeting we suggest discussing the following topics during the coming days:

1. New collaboration structure, election rules and names for voting (Monday, 30.01.)
2. Phase0: expected SIS 18 parameters, physics case, organization of the HHT experimental area upgrade, financing of the PRIOR magnets (Tuesday, 31.01.)

Meeting place: Conference room in the Waldemar Petersen Haus, Hirschegg

Meeting time: Monday and Tuesday at 20:00

We will appreciate very much your contribution in the discussions.

Yours Olga and Dieter
