

An Abstract for the Workshop

J. Lastname¹, K. Musterfrau¹, C. Mustermann²
¹GSI, Darmstadt, Germany; ²ITEP Moscow, Russia

Submission of Abstracts

Templates are provided for Microsoft Word and LaTeX, authors must use these and should not change the templates, for example using different fonts and font sizes. Abstracts should not exceed 1 page. Each author should submit also a PDF-file of the abstract but at least all of the source files.

Author List

The name of the submitting author - if also the presenter of the talk or poster at the workshop - should appear first, followed by the co-authors in alphabetical order. In a separate line the affiliations of the authors should be listed.

Section Headings and Paragraph Text

Section headlines should not be numbered. They should use 11pt bold letters and be centered. Subsection headlines should be 11 pt italic and justified to the left side. Text in the paragraphs should use 11pt font and be justified to both sides. Indents at the beginning should be ≈ 3 mm.

Equations

If a displayed equation needs a number, place it flush with the right margin of the column (see Equation 1).

$$C_B = \frac{q^3}{3\epsilon_0 mc} = 3.54 \mu\text{eV/T} \quad (1)$$

Figures

All figures and tables must be numbered and have captions (11 pt font) placed below figures and above tables. One line captions should be centred, otherwise justified to the left side.
