

# International EMMI Workshop on Plasma Physics at FAIR, GSI Darmstadt, June 21 - 23, 2017

## Wednesday 21 June 2017

### HED and Applications (09:15-10:45)

-Conveners: Markus Roth

time	[id] title	presenter
09:15	[10] Matter Under Planetary Interior Conditions	Prof. REDMER, Ronald
09:45	[31] Generation and characterisation of warm dense matter in the laboratory	Prof. RILEY, David
10:15	[35] Prospects of high-energy-density research with use of intense heavy ions	Prof. LOMONOSOV, Igor
