

International EMMI Workshop on Plasma Physics at FAIR, GSI Darmstadt, June 21 - 23, 2017

Wednesday 21 June 2017

Plasma physics research at other facilities (14:00-15:45)

-Conveners: Thomas Kühl

time	[id] title	presenter
14:00	[28] Research with intense, pulsed ion beams at Berkeley Lab	Dr SCHENKEL, Thomas
14:30	[62] X-ray spectroscopy for Plasma Physics "Day One" experiments at FAIR	Dr BATANI, Dimitri
14:55	[56] Creating and probing dense plasmas at PALS/ELI-Beamlines facilities: applicability to plasma physics program at FAIR	Dr JUHA, Libor
15:20	[29] Prospects of Warm Dense Matter generated by Intense Heavy Ion Beam @HIAF	Dr CHENG, Rui
