

# International EMMI Workshop on Plasma Physics at FAIR, GSI Darmstadt, June 21 - 23, 2017

## Wednesday, June 21, 2017

### Plasma physics research at other facilities (2:00 PM - 3:45 PM)

-Conveners: Thomas Kühl

time	[id] title	presenter
2:00 PM	[28] Research with intense, pulsed ion beams at Berkeley Lab	Dr SCHENKEL, Thomas
2:30 PM	[62] X-ray spectroscopy for Plasma Physics "Day One" experiments at FAIR	Dr BATANI, Dimitri
2:55 PM	[56] Creating and probing dense plasmas at PALS/ELI-Beamlines facilities: applicability to plasma physics program at FAIR	Dr JUHA, Libor
3:20 PM	[29] Prospects of Warm Dense Matter generated by Intense Heavy Ion Beam @HIAF	Dr CHENG, Rui
