

2nd EMMI Workshop: Anti-matter, hyper-matter and exotica production at  
the LHC

Contribution ID: 12

Type: **not specified**

**Estimating the temperature and chemical potential  
in the forward and backward rapidity regions at  
RHIC and LHC**

*Tuesday, 7 November 2017 11:00 (30 minutes)*

**Presenter:** KAPUSTA, Joseph

**Session Classification:** Session 6
