

# ACCELERATOR SEMINAR

**Peter Spiller**

GSI Helmholtzzentrum für Schwerionenforschung GmbH

**Thursday, 21<sup>st</sup> September at 4 p.m.**

**KBW lecture hall**

Planckstraße 1, 64291 Darmstadt

## **"SIS18/SIS100 Status and Perspectives"**

The presentation will summarize the status of the SIS18upgrade program and the project execution of SIS100.

Design features and design drivers will be summarized to explain the concept behind. Plans for further upgrade measures of SIS18 with benefit for the running experiment program as well for an improvement of the expected booster operation will be shown.

Coordinator: Manuel Heilmann

Secretary: Paola Lindenberg
