

# R3B Collaboration Workshop

## Wednesday 16 May 2018

### Physics, New Papers/Results, Analysis (13:50-17:20)

time	[id] title	presenter
13:50	[3] Electric Dipole Response of Neutron Rich Tin Isotopes Measured at R3B-LAND	Ms HORVAT, Andrea
14:25	[15] Nuclear equation of state from collective excited state properties of nuclei	PAAR, Nils
15:00	[4] Structure of neutron-rich C isotopes through (p,2p) reactions at R3B	PETRI, Marina
15:35	[17] Neutron skins, stars, and fragmentation reactions	Prof. BERTULANI, Carlos
16:10	[14] Systematic measurement of nucleon knock-out and total interaction cross sections in medium-mass neutron-rich nuclei.	Prof. BENLLIURE, José
16:45	[21] Survey of (p,pn) and (p,2p) reactions induced by oxygen isotopes	Mr BOILLOS, Juan Manuel
