

NUSTAR Week 2018

Milan, Italy

September 24 – 28

FIRST CIRCULAR

Dear Colleagues,

the NUSTAR Week 2018 will be hosted by the University of Milan (Università degli Studi di Milano) and by the INFN section of Milan. The conference will take place at the central headquarter complex of the University, Ca' Granda (via Festa del Perdono 7) and Greppi Palace (via San Antonio 12) located in the town center, 600 m from the Duomo square.

Following the tradition of previous such events, we hope to have an intense week of discussions and collaboration meetings. There will be special emphasis on Italian contributions to NUSTAR and related science as well as contributions to the construction of the FAIR facility.

A preliminary program will be available soon. With this circular we want to encourage your participation in the meeting. Please note the dates in your diary if you have not already done so. We also wanted to provide you with some practical information that you might find useful in planning your trip.

We are looking forward to welcoming you in Milan!

PROGRAM AND SCHEDULE

The program will start Monday morning, September 24 and concludes on Friday afternoon, September 28. The first three days are reserved for sub-collaboration meetings and working-group meetings. Plenary sessions are planned on Thursday. Depending on the need for additional sub-collaboration meetings, either these will take place on Friday or additional plenary sessions are scheduled. Further details will be provided at a later time.

LOCATION

The meeting will take place at the University of Milan and the meetings rooms are in separate buildings, however within walking distance to each other. The location is in the city center 600 m from the Duomo square (about 8 minutes walking).

TRAVEL

The best way to travel to Milan is by airplane. There are three airports:

- **Milano Linate**, 7 km from the city center,
- **Milano Malpensa**, 50 km from Milan connected by train,
- and **Orio al Serio**, about 45 km from Milan connected by bus.
