

GSI/FAIR Workshop on Stochastic Cooling 2019

Tuesday 22 January 2019

Stochastic cooling simulation and development - KBW Lecture Hall (14:00-15:50)

-Conveners: Jiancheng Yang

time	[id] title	presenter
14:00	[18] Practical design and technological issues for stochastic cooling systems - Part II	Dr CASPERS, Fritz
14:40	[20] Transverse cooling theory	Dr NOLDEN, Fritz
15:10	[19] Time domain approach for stochastic cooling simulation	Dr DOLINSKA, Maryna
