

Probing dense baryonic matter with hadrons: Status and Perspective

Tuesday 12 February 2019

Nuclear potentials and strangeness production in elementary collisions - KBW Lecture Hall (09:00-10:30)

time	[id] title	presenter
09:00	[7] Kaon- and hyperon-nuclear interactions from chiral SU(3) EFT calculations	Prof. WEISE, Wolfram
09:30	Discussion	
09:45	[8] Strangeness Production from Elementary to Heavy-Ion Collisions in the GeV Energy Range	Mr MAURUS, Steffen
10:15	Discussion
