

EMMI workshop: Neutron Matter in Astrophysics: From Neutron Stars to the r-Process

Friday 16 July 2010

Session 3: Experiments for r-process (09:00-10:30)

time	[id] title	presenter
09:00	[18] Dipole response of exotic nuclei and the equation of state	Dr BORETZKY, Konstanze
09:30	[5] Single particle spectroscopy of ^{133}Sn via the (d,p) reaction in inverse kinematics	Dr JONES, Kate
10:00	[27] Broad-band mass measurements in storage rings	Dr YURI, Litvinov
