

# EMMI workshop: Neutron Matter in Astrophysics: From Neutron Stars to the r-Process

## Friday 16 July 2010

### Session 4: The r-process in core-collapse supernovae I (11:00-12:30)

time	[id] title	presenter
11:00	[26] R-process Nucleosynthesis in the Long-Term Simulation of Magnetically Dominated Core-Collapse Supernovae	Dr NISHIMURA, Nobuya
11:30	[22] Integrated Neutrino Driven Wind Nucleosynthesis	Mr ROBERTS, Luke
12:00	[7] Proto-Neutron Star Winds with Magnetic Fields and Rotation	Dr METZGER, Brian
