

3rd EMMI Workshop: Anti-matter, hyper-matter and exotica production at
the LHC

Contribution ID: 40

Type: **not specified**

**KbarN interaction from the hadronhadron
correlation in high-energy nuclear collisions**

Thursday, 5 December 2019 17:00 (30 minutes)

Presenter: Dr KAMIYA, Yuki (Institute of Theoretical Physics, Chinese Academy of Sciences)
